FromSoftware, Inc.

Feed the fire. Let the last cinders burn.

**“ARMORED CORE VI FIRES OF RUBICON”
Releasing Worldwide on 25th August 2023.**

~Pre-orders Open Today, 28th April~

FromSoftware, Inc. (headquarters: Shibuya-ku, Tokyo; President & CEO: Hidetaka Miyazaki) and Bandai Namco Entertainment Inc. (headquarters: Minato-ku, Tokyo; President & CEO: Nao Udagawa) announced that the new co-developed action game “ARMORED CORE VI FIRES OF RUBICON” (Japan published under FromSoftware, Inc. / all other regions published under Bandai Namco Entertainment Inc.) will be released worldwide on Friday 25th August 2023. Pre-orders will also open today, Friday 28th April 2023.

This brand-new entry to the “ARMORED CORE” series is an action game in which players use a combination of parts to assemble their own original mech – an “Armored Core” – and pilot it through an expansive sci-fi world. Exact full control of your AC through multi-tiered environments, constantly shifting in tempo and inviting new strategies. Master both ranged and close-quarters combat, and overwhelm enemies with death-defying mobility. Enjoy taking on powerful opposition and challenging situations featuring the series’ signature varied and aggressive mech action.

Pre-order Bonus

Pre-orders are open as of today, Friday 28th April 2023, in retail stores across the country and digital storefronts on various platforms. As a bonus, customers that pre-order will receive the AC data "MELANDER C3 G13 Spec TENDERFOOT" which comes with an original paintjob/decals for use in-game. This pre-order bonus applies to all editions of the game.

- * Bonuses included with physical versions are limited in number. Digital version bonuses are limited to pre-order purchases.
- * Original paintjob/decals is only obtainable as part of the pre-order bonus.
- * Parts used to assemble the AC are also obtainable by progressing through the game.

Upgrading to Next-gen Console Versions

PlayStation®4 and PlayStation®5 versions

- * Customers who have purchased the PlayStation®4 physical version can upgrade to the PlayStation®5 digital version at no additional cost. (Launching the PlayStation®5 version will require the PlayStation®4 version disc.) The PlayStation®5 Digital Edition does not feature a disc drive and therefore is not compatible with the upgrade.
- * Customers who purchased the PlayStation®4 digital version via the PlayStation™Store can download the PlayStation®5 version for free.
- * Save data is a one-way transfer when making the upgrade, and is not compatible between console generations.

Xbox Series X|S and Xbox One versions

- * This title is compatible with Smart Delivery. One purchase of the game allows for play on both Xbox Series X|S and Xbox One systems.
- * Please note that press release information is accurate at the time of this announcement, and is subject to change without notice.
