FromSoftware, Inc. (headquarters: Shinjuku-ku, Tokyo; President & CEO: Hidetaka Miyazaki) has announced that SEKIRO: SHADOWS DIE TWICE developed for PlayStation 4, Xbox One and Windows, has sold more than 10 million units (*) worldwide.

■ABOUT “SEKIRO: SHADOWS DIE TWICE”

Released in March 2019, SEKIRO: SHADOWS DIE TWICE is an action adventure game set in a world that combines the blood-soaked warring states period with the beauty of ancient Japan, where players clash blades with their opponents in thrilling katana-based swordplay. Become the one-armed shinobi, using every ability at your disposal as you face off against a variety of formidable foes and situations on a mission to rescue your abducted master. The game has seen enormous support from fans to this day, receiving distinguished accolades both domestically and overseas, including the Japan Media Arts Festival Award for Excellence, and The Game Awards 2019 Game of the Year Award, and on this occasion has exceeded a total of 10 million units sold worldwide. We would like to extend our deepest gratitude to all our players, and hope you continue to enjoy SEKIRO: SHADOWS DIE TWICE.
