Tokyo, Japan, KADOKAWA CORPORATION (<https://group.kadokawa.co.jp/global/>) announced that it will hold a special event, Light Novel Exhibition 2025, at SHIBUYA TSUTAYA located in Shibuya Ward, Tokyo Prefecture, Japan, from Friday, December 19 to Sunday, December 28, 2025. The 10-day event will allow visitors to experience the diverse appeal of light novels.

Following last year's Light Novel Exhibition, the event will be held again this year at SHIBUYA TSUTAYA (1st and 7th floors), located in the heart of Shibuya, Tokyo, with free admission. The exhibition will feature a comprehensive collection of light novels primarily from KADOKAWA's popular labels — MF Bunko J, Kadokawa Sneaker Bunko, Fujimi Fantasia Bunko, Dengeki Bunko, Kadokawa BOOKS, and Dengeki Shinbun. Visitors will be able to fully immerse themselves in the worlds, history, and charm of light novels, discovering new ways to enjoy these stories. This year's edition will offer even more content to welcome attendees.

On the 1st floor, the exhibition will showcase the evolution of light novels, from the medium's early classics to major contemporary hits. Highlights include the Light Novel Road, featuring numerous book covers, and the Highlight Wall, which revisits iconic scenes from various works.

On the 7th floor, the Collaboration Cafe will offer themed menus in collaboration with 11 different titles, along with a Light Novel Bookshelf, a collection of shelves filled exclusively with light novel works, and a special display featuring handwritten messages from authors and illustrators. Over 150 event-exclusive merchandise items featuring newly commissioned illustrations will be available for purchase, alongside books with unique wide book bands. Visitors will also receive a free official guidebook for the event. With its accessible location and engaging content, the exhibition is perfect for a casual visit during the winter holiday season.
